Memo: “2x” means: available twice; “gift” means: givenx friend as gift; “[--]“ means: cup pic only

Postscriptum: What triggered my obsession to give coffee/tea cups away as gifts to friends? It was Lady 90 who a few weeks ago turned up at my house with a tea kettle and a mug in her hands, smiling, and saying “here is a tea for you”! Wow! I decided to thank her with a special tea- & coffee-cup – and then, to make such gifts to all my friends in Melbourne!
